Dear Members

It is with the greatest sadness that I write to inform you all that **Doug Daw**, our Treasurer, died on Sunday 8<sup>th</sup> February 2004 whilst on holiday in New Zealand.

His funeral took place on 11<sup>th</sup> February 2004 at a Crematorium near Wellington, New Zealand.

Doug had been a long serving member of the Society, over 30 years, being a committee member for the last 8 years; 4 of those as our Treasurer.

He contributed much to the society whilst on the committee & later as Treasurer, Generating much respect in the way he ran our finances with his thoroughness & attention to detail, always there with the answers.

He was instrumental in helping shape the Society into what it is today.

Doug was a very popular & friendly character, a good sense of humor, honest, helpful, a man who said what he thought, he had many friends in work & in fishing.

He had many interests, Darts & Snooker being his indoor ones, outdoors it was hiking, bird watching & holidaying, these he shared with his partner, Carol.

But it was fishing that was his real passion, weather it be fly fishing for trout at his local water near Bearsted or Carp fishing on our own waters, his favorite was fishing in France where he had some very good fish.

Our sincere condolences go to his partner Carol, his son Stewart & the rest of his family at this very difficult time.

There will be a memorial service & internment of his ashes in this country.

A notice will published in the local newspaper, on our web site & will advise as many of you as practically possible once we know the arrangements.

A great loss, he will be missed by us all, but never forgotten.

Yours sincerely

Chris Knowler (*Hon. Secretary*)

For & on behalf of L.A.S. Committee.
