2009 Summer League.

Match No. 11

Date: 27th September 2009.

Venue: Manor Farm Reservoir, Kent.

Conditions: A beautiful cloudless & warm start to the day that continued right through; a still start that developed into a very light breeze. Water level was down by 2 feet but clear.

Summary: Once again an excellent turn out. Right on the limit for number of swims, so much so that Barry & Tony had to double up on the largest swim. The majority of bags consisted of Roach, Perch & Rudd with the odd Bream to make up the larger weights. Once again Ralf clinched top weight with the aid of a 4lb Bream. Kevin with a very creditable 2nd working hard with a good mixed bag but no Pike landed this time. Most had to concentrate on the small Roach to make up their bags. Pole & waggler were the most favoured methods, the feeder did not produce as hoped! At the end of the day all were pleased to be fishing on such a glorious day.
