## Senior Section - Match Results

2005 Summer Monday evening comps.

### Match No. 5

Date: 15<sup>th</sup> August 2005.

Venue: River Medway, Wateringbury, Kent

Conditions: Sunny, warm, still to start with, got chillier by the end of the evening.

Summary: Weights were down on past results, but not bad for 3½ hours fishing, not many Bream showed tonight. Hemp, sweetcorn & tares still the best bait to use. Again the match had to finished early 8.30pm due to lack of light. Well done to Malcolm who is the overall winner, they have been enjoyable.
