Match No. 6

Date: **21st August 2005.**

Venue: **River Medway, Watlingbury, Kent.**

Conditions: Dull start turning warm with the odd sunny periods, a bit windy at times, blowing the opposite way to the rivers flow but did not present any problems, river was fairly clear with v slight flow despite the previous rains.

Summary: Paul Smy drew the last peg in the second field, a fair walk but did pay dividends, being quite he was able to catch steadily all morning on various baits & methods ending up with quite a respectable mixed bag. Barry Andrews had some reasonable Perch in his catch, losing a couple of good fish on snags. Tony Spall had Pike problems being broken up when bringing in fish, this happened three times. Mick Cullen spent most of the morning wearing a mask & ear plugs, this was due to a boat owner insisting on running his diesel engine to charge his batteries however generally the boats weren't too much of a problem, it does seem like it's the small inflatables that speed & cause a big wash.
A reasonable turn out, everyone caught, the weights weren't as good as expected, the fish switched off in a lot of the swims.
