2011. "Sid Flood Memorial Roach Only" Comp.

Date: **19th June 2011.**

Venue: **River Beult, Hunton, Kent.**

Conditions: A cloudy day with some sunny periods, the odd shower & with a strong cool Westerly wind blowing against the flow that made conditions interesting.
Despite all the rain the previous week the water was very clear with visibility up to 5' & very little flow; clear of duckweed at present but starting to develop around the pads.

Summary: A good turn out of 14 competitors for this event. Once again for a lot of the competitors the wind blew straight down the river against the flow, this made it difficult for the pole & waggler user. Despite this quite a few had mixed bags of Roach, Rudd, Perch, Bleak, Skimmers the odd Dace & small Chub on various baits of Maggot, Pinkies, Hemp, Corn & Casters. Targeting just the Roach wasn't easy. Tony had a try for the Pike with a couple of takes by Jacks but none landed. Despite loosing the first few roach to Pike Alex was rewarded with a fine Tench landing it on 22 hook & 1½ lb bottom. Well done Tony Burton for a hard earned win.
